WHAT CAN I EXPECT AT CEA?

THE STUDENT EXPERIENCE - BEFORE YOU ENROLL

EXPECT TO LEARN. EXPECT TO WORK. EXPECT TO GROW.

Beauty school is more than collecting hours. At CEA, we want you learning the technical skills required for your program while also developing the habits, confidence and professionalism you'll need in the real beauty industry.

AT CEA, YOU CAN EXPECT:

- Hands-on learning, practice and skill development.
- Experience with real salon clients as your training level allows.
- Professional curriculum, tools and products used to support your education.
- Instruction shaped by decades of real beauty-industry and salon experience.
- Lessons in professionalism, communication and customer service.
- Business-minded projects that make you think beyond the textbook.
- Feedback, corrections and coaching designed to help you improve.
- A smaller-school environment where your progress matters.
- Preparation for licensure and for the professional expectations that come after school.

WE'LL CHEER FOR YOU - AND WE'LL CHALLENGE YOU.

The goal isn't simply to finish school. The goal is to leave better prepared to walk into the beauty industry with skill, confidence, professionalism and purpose.
