THE COMEBACK STARTS HERE

READY TO SEE WHAT'S NEXT?

Maybe you've been thinking about beauty school for months. Maybe for years. Maybe life just kept getting in the way.

You do not have to have everything figured out today.

Your next step is simply to start.

1 **TALK WITH US**	Tell us what you're interested in, what your goals are and what questions you have.
2 **TOUR THE SCHOOL**	See the classrooms, student salon and the environment where you'll be learning.
3 **EXPLORE YOUR OPTIONS**	Compare programs, required hours, tuition and the career direction each pathway can support.
4 **UNDERSTAND THE COST**	We'll walk through current tuition, self-pay options and any scholarship or program-funded opportunities that may apply.
5 **DECIDE IF CEA FITS**	Enrollment is a commitment. We want you to understand the program and feel confident about your next step.

YOU DON'T HAVE TO KNOW THE WHOLE PLAN. YOU JUST HAVE TO BE WILLING TO TAKE THE NEXT STEP.

Ask us what comes next before you leave today.
